

SCHEDULE OF FEES

Investment Services Activities

for Premium and Magnifica customers

Effective from: 12th of July 2024

General terms

This Schedule of Fees contains the general fees charged by CIB Bank Zrt. (H-1024 Budapest, Petrezselyem utca 2-8, hereinafter: CIB Bank) in the framework of its investment services and the services supplementary to them.

CIB Bank reserves the right to establish the fees of specific contracts individually in line with their particular quantitative and qualitative features. The fees thus established – in the absence of an express written agreement with the customer to the contrary – may not, however, be higher than the fees listed below. The list does not contain the fees for services that are provided on the basis of individual contracts (e.g. for advisory services) that are subject to separate, case-by-case agreement. In the course of providing its investment services, CIB Bank may employ agents (“collaborators”), to which/whom it shall pay a fee in line with the conditions set forth in § 61 of the Investment Services Act (“Bszt.”) and/or from which/whom it shall receive a fee in line with the conditions set forth in § 61 of the Bszt. The Bank provides information on collaborator fees through a public announcement (“Notice”). These Notices are posted on the www.cib.hu and www.ebroker.hu websites. CIB reserves the right to unilaterally change individual items, one or more parts, or even the whole of the Schedule of Fees.

This Schedule of Fees is published in Hungarian and English. In case of any differences in the contents of the two versions, the Hungarian version shall prevail.

In the case of dealing fees specified as a percentage, the amount of the fee is determined as the given percentage of the deal price, in the currency of issue of the instrument.

CIB Bank debits the incurred fees, costs and commissions at the time of execution of the transaction, except for the following:

- (i) securities portfolio fee payable on the securities recorded on the investment account and on the long-term investment account, and the annual account management fee for the retirement pre-savings account: these are due on the first bank working day of the last week of the quarter;
- (ii) securities portfolio fee payable on the securities recorded on the retirement pre-savings account: this is due on the last bank working day of the year quarter concerned;
- (iii) monthly fee for real-time data provision service: this is due on the last day of the month concerned;
- (iv) monthly account management fee for the investment Client Account: this is due on the first bank working day of the month concerned.

I. Account management fees
