

CIB EASY discount program List of Conditions

Effective from: 5th February 2025

Any private persons are entitled to access the CIB EASY discounts who are in an employment relationship with a company (hereinafter: Partner) that has joined the CIB EASY discount program, i.e. there is an agreement signed by the Bank and the Partner (hereinafter: Joining Agreement) in place with respect to the CIB EASY discounts.

After 20.05.2020 only nationals of EEA Member States and of the USA, Canada and the United Kingdom will be eligible for the benefits (upon the presentation of the document(s)¹ required to prove nationality).

A basic precondition for accessing the discounts under the CIB EASY discount program is the provision of evidence of the existence of such employment relationship as of the time that the discount is accessed. The additional conditions and details in respect of the individual discounts can be found in this list of conditions, under the detailed description of the particular discount concerned.

As a part of the discount program, the bank provides discounts with respect to various products. The discounts may also be accessed separately, depending on the choice of the Client and on the products requested or used by him or her. It is necessary that the Client meet the conditions of application for the product to which the discount relates (basic product).

With respect to the fees for products that feature in the list of conditions for the CIB EASY discount program but are not provided at a discount, the standard fees specified in the latest effective list of conditions relating to the given product shall apply.

Foreign currency account that may be applied for in conjunction with a CIB ECO Bank Account or a CIB ECO Plus Bank Account

CIB EASY discount program List of Conditions

Effective from: 5th February 2025

In respect of fees to which the discount does not relate, the latest valid standard fees set out in the CIB ECO Bank Account and the CIB ECO Plus bank account List of Conditions for Consumers shall apply.

The discount related to the auxiliary service that may be applied for in conjunction with the CIB EASY discount scheme bank account **may be requested by Clients who** at the time of application:

- are in an employment relationship with a company (hereinafter: Partner) that has joined the CIB EASY discount program, i.e. there is an agreement signed by the Bank and the Partner (hereinafter: Joining Agreement) in place with respect to the CIB EASY discounts and,
- the employment relationship with the Partner is certified through a declaration made by the employer (on the form provided for this purpose by the Bank),
- and has a CIB ECO bank account or a CIB ECO Plus bank account.

The Bank is entitled to check the existence of the employment relationship by verifying the data with the Partner. In the case of a jointly held bank account, it is the Client that is indicated as the account holder in the bank account agreement (not as the Joint Account Holder) who must comply with the conditions.

Following termination of the discount, with respect to the **insurance products**, the standard fees specified in the list of conditions relating to the CIB ECO bank account or CIB ECO Plus bank account shall apply.

Other conditions relating to the CIB Tandem Savings Account with Magnifica discount and the CIB Tandem Savings Account:

Purchasing government securities does not ensure eligibility for purchasing the Tandem facilities!

Fixing the deposit and placing an order to purchase or subscribe for the related securities is possible at CIB Bank's bank branches and through the CIB24 telephone customer service.

If the investment product part is denominated in euros, then the forint value of the will be calculated at the middle exchange rate set by CIB Bank on the given day.

If the customer redeems or sells the investment product during the term of the deposit, transfers it to another securities account manager, transfers it to another person's securities account, or withdraws the order to purchase or subscribe for the investment product before execution, CIB Bank shall have the right to change the interest rate of the term deposit to the current non-promotional CIB Classic deposit interest rate for the entire term of the deposit.

Securities purchase or subscription orders determined as the precondition for placing the deposit must be submitted on the day of deposit placement.

The deposit can be placed as a one-off or a renewing deposit. In the case of a renewing deposit, the deposit will continue to bear interest in the interest periods following the first interest period with the interest rates of non-promotional CIB Classic deposits of the same maturity.

The current performance of the securities purchased or subscribed for on the date of fixing the deposit as a condition thereof can affect the prospective development of the savings as a whole in both positive and negative directions, therefore, please read the risk factors related to the investment instruments in the information prospectus and management regulations of the investment instruments. The fund prospectuses, management regulations, portfolio reports, annual and semi-annual reports, key investor information about the funds will be made available at our distribution points and on the www.cib.hu, www.cib.hu/Maganszemelyek/megtakaritasok/eurizon_easyfund_befektetes_alapok and the www.eurizon.hu websites. Information on government securities and public offerings thereof is available at the www.akk.hu website. Statements related to yields indicate performance under normal market conditions but do not guarantee future performance. The fund prospectuses and management regulations contain all information that CIB Bank Zrt. is obliged to provide on financial instruments.

may be applied for by Clients

- who, at the time of applying for the loan to which the discount relates, are in an employment relationship with a Partner that has joined the CIB EASY discount program, i.e. an agreement, signed by the Bank and the Partner, is in place with respect to the CIB EASY discounts, and
- where the Client is the debtor (not the co-debtor) of the loan to which the discount relates.

Further conditions for granting the discount:

- The discount agreement relating to the CIB EASY discount program mortgage-backed loan must be concluded no later than at the time of conclusion of the loan contract to which the discount applies.
- The account used for disbursement of the loan and debiting of the repayments must be a bank account opened by the Client requesting the discount, in his/her own name. In the case of a jointly held bank

CIB EASY discount program

List of Conditions

Effective from: 5th February 2025

account, the Client requesting the discount must be the person indicated as the account holder (not as the Joint Account Holder) in the bank account agreement.

- The loan to which the discount applies must be disbursed.

The CIB EASY mortgage-backed discount may not be combined with the CIB Pro mortgage-backed discount, i.e. only one of the discounts may be accessed at any one time with respect to the same mortgage-backed loan.

The Annual Percentage Rate (APR) was determined on the basis of the conditions prevailing as of 1st February 2025, as well as of the effective statutory provisions, and may change in the event of a change in such conditions. The APR does not reflect the interest risk associated with the loan.

APR of CIB Fully Fixed Home Loan: 5,99% - 8,48%

The APR specified in the foregoing was determined on the basis of a 20-year term and a HUF 12 million loan, and by taking into account the transaction interest and the promotion entitled "Mortgage loans upfront fees promotion."

In addition to this, it includes the land office procedural stamp duty payable for the deletion of the mortgage upon expiry of the loan and the monthly fee for the CIB Classic Private Account with "JZH nulla" fee. Staggered disbursement (in the case of a home-construction purpose): in addition to the above, includes the fee for the (two) technical inspections.

APR of CIB Fully Fixed Freely Usable Mortgage-backed Loan ("Home Equity Loan"): 6,79% - 10,61%

The APR specified in the foregoing was determined on the basis of a 15-year term and a HUF 12 million loan, and by taking into account the transaction interest and the promotion entitled "Mortgage loans upfront fees promotion.", in addition to this, it includes the land office procedural stamp duty payable for the deletion of the mortgage upon expiry of the loan and the monthly fee for the CIB Classic Private Account with "JZH nulla" fee.

APR of CIB Bank Home Maker Interest-Subsidised Loan: 3,09% - 3,14%

The APR specified in the foregoing was determined on the basis of a 20-year term and a HUF 12 million loan, and by taking into account the transaction interest and the promotion entitled "Mortgage loans upfront fees promotion."

In addition to this, it includes the land office procedural stamp duty payable for the deletion of the mortgage upon expiry of the loan and the monthly fee for the CIB Classic Private Account with "JZH nulla" fee. Staggered disbursement (in the case of a home-construction purpose): in addition to the above, includes the fee for the (two) technical inspections.

APR of CIB CSOK Plusz Interest-Subsidised Loan: 3,09% - 3,14%

The APR specified in the foregoing was determined on the basis of a 20-year term and a HUF 12 million loan, and by taking into account the transaction interest and the promotion entitled "Mortgage loans upfront fees promotion."

In addition to this, it includes the land office procedural stamp duty payable for the deletion of the mortgage upon expiry of the loan and the monthly fee for the CIB Classic Private Account with "JZH nulla" fee. Staggered disbursement (in the case of a home-construction purpose): in addition to the above, includes the fee for the (two) technical inspections.

APR of CIB 5 Customer Friendly Mortgage Loan: 10,50% - 11,86%

The APR with respect to the CIB UNO Mortgage Loans was determined on the basis of a 20-year term and a HUF 12 million loan, and by taking into account the transaction interest and the promotion entitled "Mortgage loans upfront fees promotion.", and also includes the monthly fee for the CIB Classic Private Account with "JZH nulla" fee. . Staggered disbursement (in the case of a home-construction purpose): in addition to the above, includes the fee for the (two) technical inspections.

APR of CIB 10 Customer Friendly Mortgage Loan: 5,99% - 8,48%

The APR with respect to the CIB UNO Mortgage Loans was determined on the basis of a 20-year term and a HUF 12 million loan, and by taking into account the transaction interest and the promotion entitled "Mortgage loans upfront fees promotion.", and also includes the monthly fee for the CIB Classic Private Account with "JZH nulla" fee. . Staggered disbursement (in the case of a home-construction purpose): in addition to the above, includes the fee for the (two) technical inspections.

APR of CIB 5 years repricing Home equity Mortgage Loan: 10,55% - 12,72%

The APR with respect to the CIB UNO Mortgage Loans was determined on the basis of a 20-year term and a HUF 12 million loan, and by taking into account the transaction interest and the promotion entitled "Mortgage loans upfront fees promotion.", and also includes the monthly fee for the CIB Classic Private Account with "JZH nulla" fee.

APR of CIB 10 years repricing Home equity Mortgage Loan: 6,79% - 10,61%

CIB EASY discount program List of Conditions

Effective from: 5th February 2025

The APR with respect to the CIB UNO Mortgage Loans was determined on the basis of a 20-year term and a HUF 12 million loan, and by taking into account the transaction interest and the promotion entitled "Mortgage loans upfront fees promotion.", and also includes the monthly fee for the CIB Classic Private Account with "JZH nulla" fee.

The latest interest rates and fees associated with the CIB Fully Fixed Home Loan, the CIB Fully Fixed Home Equity Loan, the CIB Home Maker Interest-Subsidised Loan, the CIB CSOK Plisz Interest Subsidised Loan, CIB Customer Friendly Mortgage Loans, CIB 5, 10 years repricing Home equity Mortgage Loans are contained in the latest effective lists of conditions.

Conditions for applying:

1. The discounts related to the CIB EASY discount program and AEGON Building Society may be applied for by Clients who, at the time of applying for the Home Savings Plan, are in an employment relationship with a Partner that has joined the CIB EASY discount program, i.e. an agreement, signed by the Bank and the Partner, is in place with respect to the CIB EASY discounts, and where the Client applying for the discount is the contracting party to the building society contract, i.e. the building-society saver.

CIB EASY discount program

List of Conditions

Effective from: 5th February 2025

2. The employment relationship with the Partner is certified through a declaration made by the employer (on the form provided for this purpose by the Bank),
3. Minimum monthly deposit amount of HUF 10,000.

CIB Bank, as the contracted partner of AEGON Hungary Building Society, acts as intermediary with respect to the home savings fund product.

United Deposit Rate Index calculated based on 2A 82/2010 Government Decree:

AER – depending on the savings period – with state support is 4.22 – 10.72%, and without state support, -0.62 – -1.52%. The AER was calculated on the basis of monthly deposits of HUF 20,000; the individual values diverge from each other according to the duration of the various maturities (term: 46-120 months). The 10.72% AER value is calculated based on 46 months term and it contains the state support. AER was determined by the consideration of the actual conditions and the current legislation. AER can be modified as a result of changes in conditions.

CIB Bank is a dependent intermediary of AEGON Hungary Building Society Ltd. The information contained in this notice is not exhaustive; the details can be found at <https://www.aegonlakastakarek.hu/infotar/szabalyzatok> in Aegon Building Society's Terms of Business.
